Hi Sarah,
Thursday afternoon is a little hectic, but I could do it at 1pm. 11am also works if you can do it earlier.

Hollis,

Patricia Hick and I are both planning on attending the NRRB meeting. I think it will be a good idea if we talk with you after you've read through the package. This week is very busy for us both so later in the week would work better. Maybe Thursday afternoon?

Hi Sarah,
Meredith Fishburn, in my office, gave me your name as the potential attorney working on the Lower Passaic. She said Patricia Hicks may also be the appropriate contact, but she thought I should try you first. The National Remedy Review Board will be discussing the site on Dec 12-13 in NYC, as you may know. I'm the OSRE rep on the board, so I wanted to touch base with you to see if there is anything in particular I should know about the site. I usually focus on the enforcement perspective and try monitor what the board wants to say in its recommendations. I plan on reading through the board package on the site today. I'm around all next week if you want to chat. Are you or Patricia planning on attending the meeting?
Have a great weekend,
Hollis
